Discussion (Including relationship to other Council actions)20 March 1989 - Public Hearing

V.C. Seth, Director of Planning stated that this amendment, Section 33-25, had been proposed last month only to discover that in changing the word "misdemeanor" to "infraction" was a violation of state law. He stated that they have prepared the amendment with new language that complies with the state law and it has been approved by the legal staff. He stated that since Section 33-49 is an exact duplicate of Sec. 33-25 they are asking that it be deleted. He stated that in Section 33-20 H - the word "misdemeanor" also appears and they have changed the language to comply with state law.

Janet Bradbury questioned how recently had penalties had been enforced.

Mr. Seth stated that he had no knowledge of someone being fined, but they have taken individuals to Court and the violator has been made to comply to City Ordinances and codes.
